WHAT AM I LOOKING FOR IN A CAREER?

Before launching a career, it is important to know what you are looking for and what you want from your career. Explore and identify each of the 4 areas, which will ultimately guide and direct your choice of culture, position and career path you should be looking for. The intent is to find a position that is the intersection of the 4 different areas: purpose, capacity, best & willing.

AREAS OF MEANING, INTEREST AND PASSION

Meaning, flow, impact, quick learning, excellence

THINGS YOU CAN DO

Competencies, skills, abilities

IDEAL CAREER

THINGS THAT PEOPLE ARE WILLING TO PAY YOU FOR

Solve problems, add value, make a contribution, make improvements

AREAS THAT ALLOW YOU TO BE AT YOUR BEST

Play to talents, strengths, right culture and environment, management

Describe your ideal career by combining all for areas into 1 sentence
